Former Hitz FM Presenter Set to Join Class FM

Controversial Raggae Musician, Black Rasta formerly of Multimedia's Hitz FM is set to join Class Media Group's Class FM. Black Rasta left Hitz FM some months after his infamous Wee Comment against Members of Parliament and that he apologized to that effect.

Black Rasta

The Musician and Radio Personality can also be most remembered for his Popular Hit Track "Barack Obama" released in 2009.

Black Rasta's comeback to the Radio Industry would be a welcoming news to most listeners in the Capital and beyond.
